PRESS RELEASE

GARFIELD COUNTY SHERIFF'S OFFICE

Garfield County, Colorado; Updated Information as of Monday, June 15, 2009
at 1:00 pm:

The Garfield County Sheriff's Office is continuing its investigation of a body that was discovered on Canyon Creek Road, approximately 5 miles west of Glenwood Springs, CO. Search efforts and evidence collection were concluded on Sunday, June 14th, 2009 at approximately 6:30 p.m., and Canyon Creek Road is now open to regular traffic. At this time, no further information is available on this case. Investigators are diligently following up on any and all leads. The female victim has yet to be identified. The Garfield County Sheriff's Office would like to ask anyone with information regarding this case, or a missing person who matches the description of the deceased to contact the Garfield County Sheriff's Office, or Garfield County Crime Stoppers if you wish to remain anonymous at (970) 945-0101. We will continue to send updated press releases as information becomes available.

PRESS RELEASE GARFIELD COUNTY SHERIFF'S OFFICE

Garfield County, Colorado; Updated Information as of Sunday, June 14, 2009 at 11:30 am:

The Garfield County Sheriff's Office is continuing its investigation of a body that was found on County Road 137, also known as Canyon Creek Road. On Friday, June 12th, 2009 at approximately 10:54 a.m., a dismembered body was found on private property located approximately 5 miles west of Glenwood Springs, CO. A post-mortem exam was conducted by the Coroner's Office yesterday, June 13, 2009 at 4:00 pm.

The post-mortem exam revealed the body was that of a female with Caucasian features, approximately 20-35 years of age, with brown hair and blonde highlights. The female victim had multiple tattoos and extensive dental work had been performed during her life. The identity of the female victim has not been determined.

Recovery operations are still underway. Not all of the remains have been recovered at this point. There is no further information available on the victim. The next press release

is scheduled for Monday, June 15th, 2009 at 1:30 p.m. No further information will be given by individual interview. All information will be disseminated by press release only. No further information is available at this time.
