GARFIELD COUNTY SHERIFF'S OFFICE POLICY / PROCEDURE DETENTIONS

SUBJECT: POST ORDERS & STANDARD OPERATING GUIDELINES

EFFECTIVE DATE: January 01, 2024

POLICY:

The Garfield County Sheriff's Office Detention Facility will provide its employees with guidance in operating the jail through a well organized set of Post Orders and Standard Operating Guidelines (SOG's) that are regularly reviewed and updated as necessary.

PURPOSE:

To describe the post order system that will be used by the Detention Facility.

METHOD:

Each operating area within the Detention Facility will have a specific Post Order developed to describe in detail the procedures that apply to that post. Additionally, SOG's will be developed to provide guidance for daily operations. Post Orders and SOG's shall be considered operational guidelines. These orders will be subject to the same review and revision requirements as all jail policies and procedures.
